**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

anyone who has been an ATT customer knows that their monopoly led to bad service. And high prices. We need competition in the telecommunications business, and that is what I hope you support. Please do not give in to ATT lobbying. Support regular consumers and small businesses, we are dependent on reliable and competitively priced services.

Sincerely,

Lucia Volk
